Fly her out to Cabo, this shit cheaper than a bitch
You can't come to my estate if I don't put you on my list

All this medicine I'm takin' just for fun, I'm not sick (Woah)
These Rick Owens on my feet, these not Chucks
This Balenci' on my shades, but then that bitch not wear [?]
Said she like bad boys, I hit my dance like I'm Puff
I'm addicted to this paper, I can never get enough (Huh)

When that DDG come on, I make them bad bitches get sturdy
Bitch, my price keep goin' up, you want that discount, better hurry
I'm a millionaire, don't worry
I got clean money, not dirty
I'm a pioneer in this shit, I got that blueprint with a duke
DDG gon' get them Ms, off the internet, or the booth
I been tellin' niggas, "I'm him"
Check the Forbes list for the proof
I'm gon' celebrate with that blunt, I'ma take shot and get loose

I get high as Hell, bitch, don't stress me out
I ain't tryna talk, bitch, just put it in yo' mouth
They don't really fuck with me, they just want my clout
Thirty under thirty, I'ma die rich, no doubt
I got motion, baby, fuck with me
Tired of the states, let's book a jet and take it overseas
All up in them guts, this dick gon' rearrange them ovaries
Baby, I'm a freak, I'm tryna eat it like some groceries (Huh)
She tryna leave me, but, she know that I'm the one
She come with me wherever I go just like my gun
She tryna have sex when I'm sober, that's no fun
Ain't tryna cuff a bitch right now, I'm way too young
Like my whips, I like my bitches foreign
If I'm not in Calabasas, then I'm probably tourin'
I can't fuck with no broke bitch, because them bitches borin'
And these niggas say that they ballin', but who really scorin'?
