DDG

It's ok, girl to be impatient  
Cuz I know you been waiting  
You just filled with a lot of frustration  
But I know you're ok  
Gotta stay focused, don't let temptations  
Get back in the way of happiness bae  
Workin overtime, girl you know you looking fine  
And you ain't gotta cry girl you beautiful inside  
And you ain't gotta chase girl, cuz you know you the prize  
Yes you do, yes you do, yes you do

It's ok, girl to be impatient  
Cuz I know you been waiting  
You just filled with a lot of frustration  
But I know you're ok  
Gotta stay focused, don't let temptations  
Get back in the way of happiness bae

Come thru now, you know I need it  
Michael Jackson the way I beat  
Confident, but not conceited  
Open up and let me eat it  
You don't want nobody that's gon take your love for granted  
Fell in love once, it didn't work, so you panicked  
Life got tough, but you strong, so you managed  
And you're love is automatic so these niggas take advantage  
Yeah these niggas take advantage of you  
I'm the only nigga that can really brighten your mood  
Teach you things that you ain't never learn in school  
I'm just tired of the niggas that be hurting you  
You just need a real nigga  
Stay at home, chill nigga  
A don't worry baby, I'll pay the bills nigga  
I don't cheat, cuz I care how she feels nigga

It's ok, girl to be impatient  
Cuz I know you been waiting  
You just filled with a lot of frustration  
But I know you're ok  
Gotta stay focused, don't let temptations  
Get back in the way of happiness bae  
Workin overtime, girl you know you looking fine  
And you ain't gotta cry girl you beautiful inside  
And you ain't gotta chase girl, cuz you know you the prize  
Yes you do, yes you do, yes you do

Yeah I ain't gonna play with you  
Too busy on the road, I'm just tryna lay with you  
Tryna run up on these bands, stack cake with you  
Take a private to the island, get away with you  
Ima pull up in the south, switch lanes with you  
And I better never see you with that bitch, I'm catchin fades with you  
Hit the bank with you, I'm just tryna get paid with you  
Hit the bang with you, I'm just tryna spend the day with you  
Stick, stick, move, move, we gon move  
For the drop top, what it do, okay  
Watch out for the opps, gotta look both ways

Yeah show me where it go, okay  
Yeah stick, stick, make it move, show me what a real nigga do  
You like you like you like when I say its yours  
And I put it on you

It's ok, girl to be impatient  
Cuz I know you been waiting  
You just filled with a lot of frustration  
But I know you're ok  
Gotta stay focused, don't let temptations  
Get back in the way of happiness bae  
Workin overtime, girl you know you looking fine  
And you ain't gotta cry girl you beautiful inside  
And you ain't gotta chase girl, cuz you know you the prize  
Yes you do, yes you do, yes you do
