

# Let Em Go

DDG

Don't get outta pocket or outta line  
Lets get on and poppin, you rather fine  
Name it and I got it, bae right on time  
Let me show you how I'm really rockin  
I'm quite a kind  
Slow your roll  
Go, whatever roll floats your boat  
No, I wanna whole grow your soul  
Whoa, just listen tho  
I ain't trippin bout these different hoes  
Let these bitches go

I can put you up in Mercedes  
If you have my baby  
This forever, I fuck with you daily since we started dating  
We be fighting, breaking up daily  
Know yo family hate me  
Don't you worry, know you my lady you been tripping lately  
Come on over, I'm fuckin you nice  
Ima get you right  
Pussy soaking I dip it in rice, this a long night  
Slippery, got the clit on ten like Hillary  
Beat the pussy up, Ima put it out its misery  
I get jittery  
I ain't eat today, this Henny hittin me  
Cut the bullshit and just tell me if you feelin me  
How you gon tell me that you done, but you forgivin me

Don't get outta pocket or outta line  
Lets get on and poppin, you rather fine  
Name it and I got it, bae right on time  
Let me show you how I'm really rockin  
I'm quite a kind  
Slow your roll  
Go, whatever roll floats your boat  
No, I wanna whole grow your soul  
Whoa, just listen tho  
I ain't trippin bout these different hoes  
Let these bitches go

Business man, she got business plans  
We got business goals  
Get it in, count them dividends  
Do our chicken poles  
Just a minute on this sprinter van, now we in quickie mode  
I ain't even stick it in, she feel it in her tippy toes  
Licky low, put it down her itty bitty throat  
Picky hoe, way she lick it got a switchy flow  
Gritty tho, she just keep on saying give me mo  
Switchin thru positions like it's inny miney minny moe

Yeah yeah, baby why you leaving me on read  
We ain't even fuck she gave me head  
Come and smoke this blunt up in my bed  
Can you roll up, roll them leaves, smoke the weed can you hold up  
I ain't tryna let you leave cuz you know us  
We gon get back together

Heard you got a nigga but you know I hit it better  
If I pull up Ima bring the hoes out  
It's not a BnB lil bitch, I bought the whole house  
The bitch get freaky in that bed, she use the whole mouth  
I cannot cuddle after sex I gotta roll out  
I get busy  
When I'm not around you I feel empty  
But these bitches envy  
Baby I'm so sorry, it's too many, forgive me
