

Lit Tonight

DDG

Yeah (Tre On The Beat, yeah)

Yeah

I don't know if it's just me but like- do you feel like- you know

All my business is our business, gotta be their business

Yeah, like if I'm kickin' it with you and you kickin' it with me it's just supposed to be about us, not everybody else

But you seem not to be able to keep your mouth shut so it's like-

Fuck it

She tellin' her friends that we're fuckin'

Baby that's none of their business

Why do they know how we lovin'

Baby that's none of their business

Hennessy with me, we lit tonight

It's only us two, so I bought us a pint

You comin' over, you stayin' the night

Before we go sleep I'ma give you this pipe

She tellin' her friends that we're fuckin'

Baby that's none of their business

Why do they know how we lovin'

Baby that's none of their business

Hennessy with me, we lit tonight

It's only us two, so I bought us a pint

You comin' over, you stayin' the night

Before we go sleep I'ma give you this pipe

You want to argue, I told you no

I told you no, I do not know that ho

You the only girl that I'm givin' a show

I'ma go in an fuck like a pro

This between you and me, not my bro

My personal is kept on the low

I cannot go to your house

I was just tryna be faithful, I was just tryna be faithful

It's the weekend I'm not talkin' 'bout Abel

I really thought you knew what it is

One day I was tryna have kid's

Why you keep tellin' them my business

It's like we could never get fixed

I don't feel comfortable with them around

Dive in that thing while you makin' them sounds

I'ma lay low while your girl's is in town

You probably over there tellin' them now

You told my performance a 10

Now all your girls know what it is

We prolly not fucking again

I'ma end up fucking your friend's

No, no, why you tellin' that ho

Why she know

No, no, why you tellin' that ho

Why she know

She tellin' her friends that we're fuckin'

Baby that's none of their business

Why do they know how we lovin'

Baby that's none of their business

Hennessy with me, we lit tonight
It's only us two, so I bought us a pint
You comin' over, you stayin' the night
Before we go sleep I'ma give you this pipe
She tellin' her friends that we're fuckin'
Baby that's none of their business
Why do they know how we lovin'
Baby that's none of their business
Hennessy with me, we lit tonight
It's only us two, so I bought us a pint
You comin' over, you stayin' the night
Before we go sleep I'ma give you this pipe (cheah)

You tellin' your friend's, stop tellin' your friend's
It's none of their biz'
You tellin' your-
You tellin' your friend's, stop tellin' your friend's
Yeah
