

Loyal Slut

DDG

Sexual energy is healing
If you not slutted, we not thugging, so
Why would I-
You gon' marry this ten
But you still gon' be with this two and this three
'Cause she extra slutted
Or this four and this five, you know?
'Cause she's extra slutted, so
Why not just be with you somethin' that's beautiful and slutted
I just-, I just-, give me the slut that's loyal
