

Loyal Slut

DDG

Sexual energy is healing
If you not sluttied, we not thugging, so
Why would I-
You gon' marry this ten
But you still gon' be with this two and this three
'Cause she extra sluttied
Or this four and this five, you know?
'Cause she's extra sluttied, so
Why not just be with you somethin' that's beautiful and sluttied
I just-, I just-, give me the slut that's loyal
