

Lusted

DDG

TreOnTheBeat, yeah

Mmm-mm

My heart cold, I don't know what real love is
Hurt my soul when I found out you lusted
Grab your phone, did my stroke, now you bustin'
You told me you want me as your husband
Don't trust nothin', they betrayed me, I hate that
You was zoomin', I don't, I state straight facts
All that cash spent on you, I'm gon' make back
Got my mind movin' fast like a race track (Oh)

Oh, I know you love me, too (Love me too)
Come through and fuck once just to tease you (Tease you)
And I hope you never thinkin' that I need you (That I need you)
I just DM'ed somebody else to delete you (Delete you)
It's too hard to do this on my own, I need some help
I just need somebody new, somebody just like you
Playin' with your heart in the meantime
When we break up, I just use that shit as me time
And I focus on myself, focus on my health
Focus on my wealth

My heart cold, I don't know what real love is
Hurt my soul when I found out you lusted
Grab your phone, did my stroke, now you bustin'
You told me you want me as your husband
Don't trust nothin', they betrayed me, I hate that
You was zoomin', I don't, I state straight facts
All that cash spent on you, I'm gon' make back
Got my mind movin' fast like a race track

Moved on to a new thing
New bitch, new watch, got some blue bling
I ain't worried 'bout you
I don't care about you
Don't give more fucks when you be fuckin', 'cause I got a new bitch
My new girl love me and she trust me, I don't gotta prove shit
I seen your nigga and your nigga, you not fuckin' with me
He got a heart on my baguette, but it's the bossin' to me
Yeah, I'm that bitter ex, might leak our old sex tape and put an end
to that
Any bitch that left me, I know just how to get her back
I don't want to see you happy
Unless it's with me
We didn't work, but this a lesson to me

My heart cold, I don't know what real love is
Hurt my soul when I found out you lusted
