Tell me one more time, tell me one more time
Girl what's on your mind?
Tell me one more time, tell me one more time
Girl what's on your mind?

Tell me one more time, tell me one more time
Boy what's on your mind?
Tell me one more time, tell me one more time
Boy what's on your mind?

It's obvious that you can't stay away (Ooh)
It's obvious, I can tell you feel a way (Yeah, yeah)
Back to back when you callin' me, yeah
I used to give you all of me, yeah
I don't pick up when you call
I can't do this anymore, anymore
It feel like we been here before
Feelings for you I can't ignore, no, no, no
I thought what we had was special
Everything ain't what it seems, can't get it together
Even with a wedding ring nothing lasts forever
(Nothing last forever, ooh-yeah, ooh-yeah, yeah)

Tell me one more time, tell me one more time
Girl what's on your mind?
Tell me one more time, tell me one more time
Girl what's on your mind?

Tell me one more time, tell me one more time
Boy what's on your mind?
Tell me one more time, tell me one more time
Boy what's on your mind?

We been at it all night (Night)
Wake up early, gotta catch a long flight
Just tell me that it's all mine, uh
I can get you anything except the wedding ring
Invite you to the hills (Invite you to the hills)
Just keep on them heels (Just keep on them heels)
Have you ever met a nigga making Mill's? (Mill's)
Even if you did I bet he can't do it like this
Brand new Wraith parked in the driveway (Driveway)
Flying to Hawaii for 'bout five days (Five days)
Take you to the mall and get you anything you wanted (Wanted)
I know how I feel, just don't know what to call it, girl

Tell me one more time, tell me one more time
Girl what's on your mind? (Yeah, yeah)
Tell me one more time, tell me one more time (Uh, ooh, yeah)
Boy what's on your mind?
Tell me one more time, tell me one more time
Girl what's on your mind? (Ooh-yeah, yeah)
Tell me one more time, tell me one more time
Girl what's on your mind? (Yeah, yeah)

Tell me are you, you, you?
