

Permanent Breakup

DDG

I don't wanna lose this love I got
If you don't like what I do, I stop
Focus on work, I'm just tryna stay hot
Told you I'm done, but you know I'm not
Miss your touch when I'm by myself
You love me, don't lie to yourself
Ain't called yet, I'm proud of myself
Tryna move on, I can't need help
Yeah, I'm rich, but my heart get broke
I wanna try to fix things, you don't
3AM sent a text, you woke
We argued last time that we spoke
Take me out the club, I don't wanna be here
I'd rather be by you all night
All of these ho's I see, alright
I just want you, you just my type
Drunk too much, I make mistakes
Lost your love, but it's not too late
In my head, me and you still date
How much longer do you need space?

Uh, is this a permanent break-up?
Uh, will we eventually make up?
Uh, can you call me when you wake up?
Uh, please, do not tell me you already gave up

All of these memories, you finna throw 'em away
Why the fuck we keep arguin'?
You never want to be wrong when we have disagreements
You know that's not right when you started it
I let you close to my heart, but it's really my fault
'Cause I know better, I should've guarded it
If I wasn't blocked on the 'Gram when you posted that picture,
then I would've hearted it

Uh, is this a permanent break-up?
Uh, will we eventually make up?
Uh, can you call me when you wake up?
Uh, please, do not tell me you already gave up
