DDG

Hey Darryl... Or should I call you "DDG" now that you're all big and famous?  
I was actually listenin' to one of your songs the other day and-, I just wanted to say that I'm proud of you, and I miss you, and I love you  
Maybe we can get together sometime, you know, and talk about us  
You know, you've really came a long way since Pontiac...

My ex-girl got a Android with no service  
Still buy my music anyway  
Downloading off of Google Play  
But was talkin' shit just the other day  
Bora Bora for a few days  
Hundreds spent on the D'usse  
They say DDG is the new wave  
Made a hundred bands in like two days  
Rapper niggas on the same shit  
Like a lil' bitch on the same dick  
You broke, you ain't rich  
You got no hoes, that's the same bitch (Okay)  
Went to visit at my old college  
Looking hella glo with some good clout  
Stayed there for like two days  
And I realized why I dropped out  
I'm the big homie of yo big homie  
So don't act stupid like you didn't know me (Bitch! )  
Big bags and the big racks  
That's the big reason why she didn't hoe me (Bow! )  
Henny with me like I'm 21  
But I'm only 20, but I'm still savage  
Green mixed with a lil' blue  
And a Louis wallet like some spoiled cabbage  
You made like a hundred songs  
And you mad as hell 'cause they ain't hit  
Do a song with me and it's my song  
I'm a legend now on my Drake shit (Ayy)

Rollie costs your tuition  
A lil' over out of state  
Try to book me for a date  
I need 40 out the gate  
I got a lot on my plate  
I'm just tryin' to stay great  
Another show, can't wait  
Sold out by eight  
All the keyboard-flexing  
It don't phase me at all  
You not tough at all  
I just make a few calls  
Boss shit, boss shit

I just chill, make hits  
College classes not shit  
Dropped out, got rich
