Two ho in the Lambo'  
Neck, wrist lit like candle  
She gon' pop like ammo  
A bad bitch, I'm Rambo  
Sing my shit like Vandross  
I got stripes like flannel  
I got extra ammo, I'm Rambo  
Drop, give me ten  
Glock, extend  
Top down, yuh, goddamn  
Drop, give me ten  
Glock, extend  
Top down, yuh, goddamn

Whole lot of shit I can't talk about

Driftin' a Lamb' on a roundabout  
Speedin', I'm speedin', don't think that I'm slowin' down  
Can't beef with niggas that's under me  
That nigga really a son to me  
You fight with your bitch and she run to me  
She pullin' up, put the dick where her tummy be  
I'll fly her in first, not economy, if she a ten  
I need a GRAMMY, not nominee, I wanna win  
These niggas gimmicks, a wannabe, they only pretend  
I'm gettin' money like constantly, they keep comin' in (Uh)

I dropped ten bands like it's nothin', then check my account and see no difference (Cash)  
I got the big bands, no budget  
I moved to L.A. and been rich ever since (Rich)
