

# Remember Me

DDG

I got really tired of lovin' you (Tuned up)  
I'll have to find another you (No way, Hozay)  
I will never ever fuck with you  
But I felt like I was stuck to you

Uh, yeah, I gave you a call and it's not goin' through  
Uh, yeah, bae, answer the phone, I wanna talk to you  
Uh, yeah, wasn't catchin' feelings, then I started to  
Uh, yeah, I just wanna check in, see what's up with you

You remember me?  
Oh, we used to be in love  
You remember me?  
Oh, we used to be in love

Yeah, uh, now I see you ridin' with your other mans  
Huh, I might hit the mall and blow a hundred bands  
Fuck it then, spendin' all this money feel like therapy  
I cannot live without you and it's scarin' me  
Yeah, I keep on checking my phone, I'm hopin' that you will message me  
I'm reminiscin' all of the times that you had sex with me  
And you're the only one in this world that get the best of me  
You know I need you, why you keep leavin'? You always stressin' me  
I'm lost  
When you're not around me, I feel lost  
When you're not around me, I feel like I'm all alone, yeah  
Young and in love, we don't know our right from wrongs, yeah  
I hope you come home, bae, answer the phone, yeah (Woah)

I gave you a call and it's not goin' through  
Uh, yeah, bae, answer the phone, I wanna talk to you  
Uh, yeah, wasn't catchin' feelings, then I started to  
Uh, yeah, I just wanna check in, see what's up with you

You remember me?  
Oh, we used to be in love  
You remember me?  
Oh, we used to be in love

Money hittin' different, I wish that I could just spend it  
All on you, I can take you shoppin' at Lenox  
Is he for forever? I cannot wait 'til you finish  
Wanna send you flowers, but I don't know where to send it  
'Cause you moved on and you never check up on me (Check up on me)  
Know we broke up, but I thought we still was homies  
I'm like fuck love, all this shit is fuckin' phony  
Every time I fall in love, I always end up lonely, yeah  
Ever since you left me, I never can love nobody  
You just cut me off like some motherfuckin' karate  
'Cause I cheated with a Honda, I knew I had a Bugatti  
Now you got another nigga and now I'm sittin' here salty like (Woah)

I gave you a call and it's not goin' through  
Uh, yeah, bae, answer the phone, I wanna talk to you  
Uh, yeah, wasn't catchin' feelings, then I started to  
Uh, yeah, I just wanna check in, see what's up with you

You remember me?  
Oh, we used to be in love  
You remember me?  
Oh, we used to be in love
