I don't really like her but I know that she in love with me
Every night I'm wit her she be asking when you cuffing me
I ain't trynna hear it so I tell her keep on suckin me
I'm already done so do ask me when you fuckin me
1 round baby I don't do much
I ain't trynna kick it with you too much
I ain't like the feds I don't do cuffs
Workin out my pockets, wallet too buff
Young millionaire on my rich shit
Coming from a small town doing big shit
No drugs, I just got the bag different
Film wit her, when I'm done give her big dick
Stay the night then I boot her in the morning
I don't really like to cuddle cuz it boring
When I come around ya girl she get horny
The internet made me rich it ain't corny
Pussy niggas on my radar when you act tough
Cool nigga but I'm hip on how to get ruff
Make calls if I need it you can get plucked
Pow pow and it only cost me 10 bucks
Telling fans that you tough boy you cappin
Yelling all on the phone quit actin
