Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh, yeah

Hot girls have cold hearts (Cold hearts)
And cold hearts hide deep scars like a motherfucker
Deep scars make better stories (Better stories)

Bet she gon' leave me if I fall off, yeah (Yeah)
Oh, you got work, well, can you call up? (Call up)
Put down your phone, I'll make you log off (Log off)
But you ain't really get nothing 'bout it, mm
Been somebody that was a mess but you still wanted to try
From the many weaves, started fuckin' and it started out as nothin'
But it turned into something overnight

We both knew we was toxic (Toxic)
But there was no other place that we'd rather be (Yeah)
It's fucked up, still I won't change shit
But you taught me so much and I learned that

And cold hearts hide deep scars like a motherfucker
Deep scars make better stories (Better stories)

What I know now, if I knew then
We wouldn't be lovers, even friends
I showed my cards, you hid your hand
I guess you just like to pretend, yeah
Real niggas scare you, I dare you to tell me the whole truth
But trust me, I know you fuckin' can't
See, I was only here to take care of you
It's hard 'cause you always comparin' me to every other man

We both knew we was toxic (Toxic)
But there was no other place that we'd rather be (Yeah)
It's fucked up, still I won't change shit
But you taught me so much and I learned that

Hot girls have cold hearts (Cold hearts)
