

Too Much To Lose

DDG

30, you a motherfuckin' fool, nigga
(Cheeze, Cheeze, Cheeze)
(30, you a fool for this one)
Yeah, yeah

I rock Balenciaga, Prada, fuck a model for a bottle
Hit a nigga bitch, she actin' like she hit the lotto
Bought the Demon for a drop, I hit the highway on the cop
I bought a bunch of chains for the gang flooded out with rocks
Too much to lose, drippin' in jewels
Come through in the coupe drippin' in jewels
I rock Balenciaga, Prada, fuck a model for a bottle
Hit a nigga bitch, she actin' like she hit the lotto

I remember back when I was broke
She ain't give me throat, now she give me throat
'Cause DDG the GOAT, I don't like to boast
But you should take some notes, nigga, you's a ho, huh?
Off-White Prestos, made it out the ghetto
Humble and I'm mellow, but still know I'm the best, though
Latina give me besos, and she from Sacramento
DDG finna blow like Coke mixed with Mentos

I rock Balenciaga, Prada, fuck a model for a bottle
Hit a nigga bitch, she actin' like she hit the lotto
Bought the Demon for a drop, I hit the highway on the cop
I bought a bunch of chains for the gang flooded out with rocks
Too much to lose, drippin' in jewels
Come through in the coupe drippin' in jewels
I rock Balenciaga, Prada, fuck a model for a bottle
Hit a nigga bitch, she actin' like she hit the lotto

She want a ring and I said, "No way"
She can't find better so she said, "Okay"
Champagne sippin', I fuck with rosé
Where the bad bitches? I'm tryna locate
She love to call me papi, they like to call me daddy
But I can't be your daddy 'cause I ain't fuck your mammy
I like my girls classy, but love 'em when they nasty
I met her in the valley, the plane became in handy, yeah

I rock Balenciaga, Prada, fuck a model for a bottle
Hit a nigga bitch, she actin' like she hit the lotto
Bought the Demon for a drop, I hit the highway on the cop
I bought a bunch of chains for the gang flooded out with rocks
Too much to lose, drippin' in jewels
Come through in the coupe drippin' in jewels
I rock Balenciaga, Prada, fuck a model for a bottle
Hit a nigga bitch, she actin' like she hit the lotto
