WHAT NOW

DDG

(30, you a motherfucking fool, nigga)

I just spent a check and went and bust down my neck (yeah)
I just wanna flex, I want them bust down baguettes (yeah)
Hop up on the jet, I'm finna shut down my set
Told you I'd be rich, I'm screaming, "What now lil' bitch?"
I did made it from the bottom, I got M's in the bank (bank)
Drippin' like a sink, don't give a fuck what you think (think)
Was a lil' nigga, I done upped up my rank (yeah, yeah)

You don't know me (bitch)
Remember shorty tried to hoe me, now I'm runnin' with my homie,
 keep a female, never lonely
I been stackin', taking trips I been packin', you ain't poppin'
, you be slackin, you ain't rich, you be acting
Aye, what now bitch, I done got rich
Remember me from high school, no nigga stop it
You was tryna knock it, your number, yeah I blocked it
Hunnids in my pockets, no cuts, all profit bitch

I just spent a check and went and bust down my neck (yeah)
I just wanna flex, I want them bust down baguettes (yeah)
Hop up on the jet, I'm finna shut down my set
Told you I'd be rich, I'm screaming, "What now lil' bitch?"
I did made it from the bottom, I got M's in the bank (bank)
Drippin' like a sink, don't give a fuck what you think (think)
Was a lil' nigga, I done upped up my rank (yeah, yeah, yeah)

Now I'm at crazy girls with all the bad bitches
Thick ass women, blowing mad riches
Around me where I'm sittin', her ass Peter Griffin, that mean I
'm prolly hittin'
She said she want this worm, I take her home and then I'm fishi
n'
I got hoes now, I got riches
Niggas mad now, feel the tension
She bend it over ass out, I one night it
Pull a hunnids racks out, no excitement

I just spent a check and went and bust down my neck (yeah)
I just wanna flex, I want them bust down baguettes (yeah)
Hop up on the jet, I'm finna shut down my set
Told you I'd be rich, I'm screaming, "What now lil' bitch?"
I did made it from the bottom, I got M's in the bank (bank)
Drippin' like a sink, don't give a fuck what you think (think)
Was a lil' nigga, I done upped up my rank
