WOOZY

DDG

(CB on the beat)
Yeah, ayy, hold on
Mmm, yeah

It's a whole lot of things that I can do with you, boo (Yeah, yeah)
Bring your friends, I'll bring my friends and we can do what we do (Boom, bo
om)
Say you feeling me, I know it 'cause I already knew (I knew it)
How I'm feelin' in this club, I might leave here with two

I'm feelin' woozy
Off the Henny, I been sippin' (Sippin', sippin')
I'm feelin' woozy
Off this weed that I been hittin'
I'm feelin' woozy
Need a seat, my head spinnin' (My head spinnin')
I'm feelin' woozy
I'ma dive all up in it (Splash, splash)

Bust down Rollie on my right wrist (Yeah)
Overtime working on a night shift (Boom)
I can only fuck with the right bitch (Yeah)
If she not a 10, then I might dip (Dip)
'Cause I'm picky (Picky, picky, picky, picky)
I'm too drippy, I spent 50, 50, 50 on Richard Millie
That shit silly, that's just stupid (it's dumb, retarded)
I can't fall in love 'cause I'm not cupid (No I can't)
I might cheat a couple times, but I'm human (Only human, yeah)
Our relationship like Nike, we just do it (Boom, bow)
That is all it is, my baby, nothing to it

It's a whole lot of things that I can do with you, boo (Yeah, yeah)
Bring your friends, I'll bring my friends and we can do what we do (Boom, bo

Rollie got stones like Thanos
Ask me how I'm doin', I'm bueno (Good)
Never switched up for the fame, though (Nah)
Back to back checks on a backend
Whole lot of shit bring the racks in
It's like six, seven figures when they taxin'
And I paid off that shit without rappin'
(Canon G7 X)

Mix the Cola with the Henny, now I'm feelin' myself

I been sippin' all week, this not good for my health
Bottle service in Playhouse and I'm already lit
If she bad and in my section, then I already hit
