So- so like I was sayin', we been doin' this shit for a long time

Sh- shit been good, shit been bad

But- but I always knew you had my back

Now we travelin' again, globetrottin'

You want some of this?

But yeah man, before we get outta here, I just wanna make sure we good

'Cause I fucks with you

Like, are we good?

'Cause, I mean-

That's what I'm talking about

You want some cocaine?
