

Will Be

De La Soul

What's up, y'all?
Before we go any further, we just wanna take a moment to welcome you to the album, Cabin in the Sky
Let's have some fun, y'all
My bro Maseo in here (Sup)
We with Dave always (Thank you, Dave)
Yummy, you in here, too
Run it up

(This will be) That song that makes you feel free
The joy we bring is sharp to the touch
Like the boy who stabs you in the heart
Where arrow serves them à la carte
(This will be) That brother who's known as Plug 3 (Yep)
Never on E (Come on)
Time, let's take them dues paid
Known to have the groove lay long (Subtle moves stay strong)
And the truth in the song be the pro-Black teachin'
Study hard in the life quiz that I'm featured in
Run synonymous, but nobody stopping us but us
Get out your own way, that's why I say
(This will be) That day now from day one (With the Day-Glo fun)
Numerically three (The two wings on one)
And we all will have our day in the sun

De La's total freedom
A good time, they guarantee 'em
Come on, get up, let me see some rockin', swayin'
While the DJ's playin', on the mic, you hear him sayin'
Come on, get up, everybody (Get up)
Come on, get up, everybody (Get, get-get-get up)
Come on, get up (Get up)
Come on, get up (Get-get-get up)
Come on, get up (Get up)
Come on, get up (Get-get-get up)
Come on, get up (Get up)
Come on, get up (Get-get-get up)
Come on, get up (Get-get, get-get-get-get up)
Come on, get up (Get-get-get up)
Why is the music slowing down?
Come on, get up (Get, get-get-get-get up)
Oh, it's time for us to move on to the next song
Come on, get up (Get-get-get up)
