Hell Alright

De-Phazz

Hell alright...

Baby don't be so hard
Baby don't be so hard
On me...

Baby don't be so hard
Baby don't be so hard
On me...

I have your bones
on a silver plate
Ignore your calls
enjoy my hate

I'll burn your plate
drive you insane
I'll slap your face
no pain no gain

Wreck your guitar
and scratch your record
and scratch your record
and scratch your record

Baby don't be so hard
Baby don't be so hard
On me...

Hell alright

Wreck your guitar
and scratch your record
and scratch your record
and scratch your record

Baby don't be so hard
'cause I'm not
Baby don't be so hard
on me...

Baby don't be so hard
'cause I'm not
Baby don't be so hard
on me...

Hell alright

I have your bones
on a silver plate
Ignore your calls
enjoy my hate

I'll burn your plate
drive you insane
I'll slap your face
no pain no gain

Wreck your guitar
and scratch your record
and scratch your record

Baby don't be so hard on me
