

## Mambo Craze

De-Phazz

Why Lucy, your eyes are filled with tears?  
My heart is filled with gladness  
Oh look, the orchestra's getting ready  
Dance with me, George  
Check the scene outside of Medellin  
Make a fuss in Caracas

Big cigars in dark Havana bars  
Mambo slow Guantanamo  
Was so glad escape in Trinidad  
Upside down in Kingston town  
Stole a car in the streets of Panama  
Went too far in Bogota

Space cake break at the Titicaca lake  
Got some more in Ecuador  
Asked for a dance in a dive in Port-au-Prince  
Went too far in Bogota

A little weak, a little pale today  
Looks like it's time for that certain holiday  
A little weak, a little pale today  
A little weak, a little pale today  
Rip 'em up

Space cake break on the Titicaca lake  
Got some more in Ecuador  
Stole a car in the streets of Panama  
Went too far in Bogota

A little weak, a little pale today  
Looks like it's time for that certain holiday  
A little weak, a little pale today  
Looks like it's time for that certain holiday  
A little weak, a little pale today
