

Maybe San Jose

De-Phazz

Easiness rhymes with summertime
Everyday is summer in my mind
Take Siberia down to Martinique
that would really be something magnifique

Ladeedee ladeedum
Feel my heart it's a drum
Leading me on my way
And maybe I'll go to San José

Ships they float
And aeroplanes they fly
Can you see me, see that I'm a spy
Walking talking colorful tie-dye
Leaving of the races that I've come from

Ladeedee ladeedum
Feel my heart it's a drum
Leading me on my way
And maybe I'll go to San José

San José, San José
San José, San José

Ladeedee ladeedum
Feel my heart it's a drum
Leading me on my way
And maybe I'll go to San José

Ladeedee ladeedum
Feel my heart it's a drum
Leading me on my way
And maybe I'll go to San José
Can you tell me how to get there?
Do you know the way?
