Something Special

De-Phazz

If there's no chance to reach you,
No bridge, no boat, no stones,
Then I would swim the waters,
Just like Brian Jones.

If I would ever lose you,
To someone else one day,
I shall be diplomatic,
Just like Cassius Clay.

'Cause you're so special…
'Cause you're so special…
Just like anybody else.

You don't need to worry,
Just rely on me.
I forever will be faithful,
Like Lady Chatterley.

If there's a need to tease you,
As a chance to make you stay,
I'm gonna, I'm gonna be your wild one
Just like Doris Day.

'Cause you're so special…
Just like anybody else.
'Cause you're so special…
Just like anybody else.

You're my everyday sensation,
You're my heaven, you're my hell.
Like a roller-coaster ride,
We can make it to the bell.

Perfect combination,
Like the seashore and the shell,
'Cause you're something special, babe,
Just like anybody else.

'Cause you're so special…
So incredible…
Just like anybody else,
Unbelievable…
'Cause you're so special…
So deceivable…
Just like anybody else.

'Cause you're so special…
So impossible…
Just like anybody else,
So incredible…

'Cause you're so special…
Unbelievable…
Just like anybody else,
So deceivable…
'Cause you're so special…

Just like anybody else,
‘Cause you’re so special…

You don’t need to worry,
‘Cause you’re so special…
Just rely on me,
Just like anybody else,

‘Cause you’re so special…
Just like anybody else…

…faithful, like Lady Chatterley…
