

## True North

De-Phazz

Time to change my direction  
Maybe I? I will forget  
That southern heritage that makes me strong  
But the spirits tell me  
It's time to jet  
Cause the spirits move me

The spirit moves me back and forth,  
True North

I tell you it ain't peaches and cream  
Cause the road is wet and slippery  
But I'd rather be slippin' and slidin'  
That runnin' and hidin'

The train is getting' ready,  
So ya'll come on board  
Your ticket is determination  
Ya'll, we're goin' up north  
Cause the spirits move me

The spirit moves me back and forth  
True North
