

Boy Toy

De/Vision

I'm a boy toy
A piece of meat for you to enjoy
I'm a love envoy
All my skills for you I deploy
I'm a boy toy
At your service, don't be so coy
I'm a wind-up toy
heaven sent to fill the void

My heart knows no master

I'm a boy toy
Only here to bring you joy
Easy to decoy
In this pond I'm the most precious koi
I'm a boy toy
Another car in your convoy
I'm a wind-up toy
The kind of man you wish to employ
