

Daydreamin'

De/Vision

The wind has called my name
You won't find me down again
Can you hear the same?
Spread your wings and fly away

With you by my side
No more to say
With no place to hide
We run from today
With you by my side
I won't be afraid
Inscrutable night
We seize the day

My soul they'll never tame
Higher spheres I reached again
Do you feel the same?
Pack your bag and dream away

With you by my side
No more to say
With no place to hide
We run from today
With you by my side
I won't be afraid
Inscrutable night
We seize the day
