

# Get My Mind Off

Dea Matrona

It's complicated  
I feel frustrated  
I'm violated  
'Cause I gotta get  
Get my mind off you

I like the feeling  
Up on the ceiling  
Ooh, I'm reeling  
Cos I gotta get  
Get my mind off you

Every single day, every hour  
Try to let it go, I got the power  
Never thought I'd ever be like this  
You turn me into someone I don't recognise

Gotta get my mind off you  
Get my mind off you  
Gotta get my mind off you  
Get my mind off you  
Gotta get my mind off

I know I'm crazy  
You think I'm lazy  
My memories hazy  
'Cause I gotta get  
Get my mind off you

Every single day, every hour  
Try to let it go, I got the power  
Never thought I'd ever be like this  
You turn me into someone I don't recognise

Gotta get my mind off you  
Get my mind off you  
Gotta get my mind off you  
Get my mind off you  
Gotta get my mind off

I gotta get my mind off you  
I gotta get my mind off you  
Ooh, ooh, ooh

Every single day, every single hour  
Try to let it go, try to get the power  
Never thought I would ever be like this  
Now I'm someone I don't recognise

Gotta get my mind off you  
Get my mind off you  
Gotta get my mind off you  
Get my mind off you  
Gotta get my mind off
