Glory, Glory (I Am Free)

Dea Matrona

I saw an angel break its wings
Turn to me and start to sing
Glory glory I am free
I heard the angel call to me
Follow me out to the sea
Glory glory we are free
Glory glory we are free

I'd do anything for you
Run away, run away even
Hide away, hide away in the desert
And I'd do anything I could to
Ease the pain, ease the pain
That I might have caused, might have caused to you

I saw a stranger turn to me
And my heart it starts to bleed
Glory glory I'm not free
He looked right into my eyes
Told me to forget the lies
Glory glory now I'm free
Glory glory now I'm free

I'd do anything for you
Run away, run away even
Hide away, hide away in the desert
And I'd do anything I could to
Ease the pain, ease the pain
That I might have caused, might have caused to you

I saw an angel break its wings
Turn to me and start to sing
Glory glory now I'm free
I heard the angel call to me
And my heart it starts to bleed
Glory glory we are free

I'd do anything for you
Run away, run away even
Hide away, hide away in the desert
And I'd do anything I could
Ease the pain, ease the pain
That I might have caused, might have caused to you
