

# Stuck On You

Dea Matrona

Who will you call when sirens and the alarm bells sound?  
Who will you call up when the plane starts to go down?  
Who'll help you face the music?  
Who'll be your last goodbye?  
Who will you call whenever flames fall from the sky?  
Ah, ah, ah

No matter what I do, I'm stuck on you  
Stuck on you, stuck on you  
No matter what you say, can't get away  
Get away, get away  
No matter where I go, I can't let go  
Can't let go, can't let go  
No matter what I do, because I am stuck on you  
Stuck on you

Who will you call when fire is spread across the land?  
Who will you call up when it doesn't go to plan?  
Oh, when we meet the maker, will you reach out your hand?  
And will you kiss me as my body turns to sand?

Stuck on you, stuck on you, stuck on you  
No matter what you say, can't get away  
Get away, get away  
No matter where I go, I can't let go  
Can't let go, can't let go  
No matter what I do, because I am stuck on you  
Stuck on you

Do we all die for somebody's sins?  
Do we all live just to exist?  
Do we all die for somebody's sins?  
Do we all live just to exist?

No matter what I do, I'm stuck on you  
(Stuck on you, stuck on you)  
No matter what you say, can't get away  
(Get away, get away)  
No matter where I go, I can't let go  
(Can't let go, can't let go)  
No matter what I do because I am stuck on you  
Stuck on you  
Stuck on you

Stuck on you (do we all die for somebody's sins?)  
Stuck on you (do we all live just to exist?)
