

# Blue Horse

Deacon Blue

Take me over again, That's alright on the ways  
See me shine when I swim, Blue Horse  
There's a mountain ahead, We can lie and get some rest  
We'll brush the tail and we'll dress, Blue horse

We'll go home... Soon.. We'll go home  
We'll go home... Soon.. We'll go home

Daddy the sunshines all gone, And it's dark in the sky  
Put me on top let me ride, Blue horse

We'll go home... Soon.. We'll go home  
We'll go home... Soon.. We'll go home  
We'll go home... Soon.. We'll go home  
We'll go home... Soon.. We'll go home

Blue Horse..... Blue Horse..... Blue Horse..... Blue Horse
