

# Long Distance From Just Across The Road

Deacon Blue

Baby's a ride away in a taxi cab  
Baby's stuck at home there behind the Ocean bar  
I've got some money and no strength left  
I've got some money and no strength left

I never write, never come home  
I never write, never come home

You say you've got that baby breathing inside  
You say you've got that boy right by your side  
I'm on long distance from just across the road  
I'm on long distance from just across the road

I never write, never come home  
I never write, never come home
