

# Love Isn't Hard Its Strong

Deacon Blue

Whatever I call you`s your name  
You`ll get on with it just the same  
Sometimes you`ll blame me  
And think that love is hard

Your lover`ll break your heart  
Make you make a brand new start  
He`ll say that nothing`ll touch him  
You`ll think that love is hard

It`s your birth  
It`s your birth  
It`s your birth  
It`s your birth

Love isn`t hard it`s strong  
True love will never be wrong  
Whenever you know it  
You`ll think that love is hard

When Icarus crashed from the sun  
Some boatmen looking on  
Saw only a golden  
Bright beautiful dawn

It`s your life  
It`s your life

It`s hard to watch you on your own  
Getting up and growing old  
Trying to remember  
Love isn`t hard it`s strong

It`s your love  
It`s your love

It`s your love  
It`s your love
