Nothing's Changed

Deacon Blue

There nothing that you know
Nothing you'll be told
Nothing here you can hold on to

There's nothing in my face
For you to read for you to trace
Nothing to realise even if you want to

I've been here so many times before
So many times you won't believe
What is it you really want to learn?
You know I can only tell you if you trust me

Nothing's changed
There's nothing to be scared of, no reason to fear
Cause nothing's changed
We're not the people that we were, but my love for you remains.
..
Nothing's changed

Nothing I'm holding back
No love, no cash no facts
Nothing to make you mad or stoned or crazy

There's nothing in my pockets
No flowers, hearts or lockets
There's no secrets I been holding on to lately

I was once a jealous man
Too much in love with love to be true
But I let go of everything
My heart can tell you true

That nothing's changed
There's nothing to be scared of, no reason to fear
Cause nothing's changed
We're not the people that we were, but my love for you remains.
..
Nothing's changed
There's nothing to be scared of, no reason to fear
Nothing's changed
