Dead Blonde

(I love your fucking money
You wanna touch my body
I love your fucking money
Touch my body, touch my body
I love your fucking money
You wanna touch my body
I love your fucking money
Touch my body, b-b-body)

I am your Russian doll
I want to take it all
I love red soviet colours
Рубли получше dollars
Give me your money, honey
For you I will be funny
You are my sugar daddy
My soul is D-E-A-D

I am your last chance
Give up and let's dance
You know I'm the best
And take me all, yes
B-I-T-C-H
I don't care about your age
You are my playboy
I'm your lovely Russian toy

I love your fucking money
You wanna touch my body
I love your fucking money
Touch my body, touch my body
I love your fucking money
You wanna touch my b-b-body
I love your fucking money
Touch my body, touch my body
I love your fucking money
You wanna touch my body
I love your fucking money
Touch my body, touch my b-b-body

I'm jumping in your car
Maybe I can be far
Люблю тебя до жути
You like Vladimir Putin
You give me all of Russia
You are my candy crusher
You're fucking console freak
Your heart is electric

I am your last chance
Give up and let's dance
You know I'm the best
And take me all, yes
B-I-T-C-H
I don't care about your age
You are my playboy
I'm your lovely Russian toy

I love your fucking money
You wanna touch my body
I love your fucking money
Touch my body, touch my body
I love your fucking money
You wanna touch my body
I love your fucking money
Touch my body, b-b-body
I love your fucking money
You wanna touch my body
