

# Memory

Dead by April

I'm looking at an old photograph  
What a worn out memory  
Still causing butterflies in me

How can I forget those words?  
That shattered my whole world  
Distorted images flashing by  
Don't take it in  
It's all a lie

(Can you breathe into me)

I'm trying to let go, let go  
Fighting demons in the dark  
I'm gonna tear down these walls  
I'm trying to let go, let go  
Buried so deep inside me  
What a saddened  
Memory, memory  
Memory, memory  
Memory, memory

I'm trying to remember everything  
To make sense of all the trauma  
Will this ever be over

I, always look back with regret  
I, always blame myself in the end  
Disturbing memories circling my head like vultures

(Can you breathe into me)

I'm trying to let go, let go  
Fighting demons in the dark  
I'm gonna tear down these walls  
I'm trying to let go, let go  
Buried so deep inside me  
What a saddened  
Memory, memory

I'll crush these walls like a cyclone  
'Cause I can't breathe on my own  
I'm missing you, no, I don't  
I'm missing you, no, I don't

(Can you breathe into me)

I'm trying to let go, let go  
Fighting demons in the dark  
I'm gonna tear down these walls  
I'm trying to let go, let go  
Buried so deep inside me  
What a saddened  
Memory, memory  
Memory, memory  
Memory, memory
