

Caged

Dead Eyes

Caged
I'm a slave to the thought of you
When my heart bleeds electric blue
Hate
Rage
My soul has been misplaced
I need a new messiah
Reaching out for me

Eyes on the sun
Burning for anyone
For anyone to claim me
A shade of numb
Under the evergreen
I will forever be
Caged

Can you take take take away
And replace what's left of me
Replace what's left of me

Eyes on the sun
Burning for anyone
For anyone to claim me
A shade of numb
Under the evergreen
I will forever be
Caged

The walls breathe
The floor sinks
Endorphin dreams of another
Hate
Rage
My soul has been misplaced
Engulfed in dreams of another
This is my cage

Eyes on the sun
Burning for anyone
For anyone to claim me
A shade of numb
Under the evergreen
I will forever be
Caged
This is my cage
