

# End Of The Fight

Dead Girls Academy

You don't get it but I'm losing a part of me  
You don't get it but it's on my mind  
I can't believe the words you spat at me  
Burned a hole deeper than the end of time  
The nails deeper inside of the suffering  
Another notch carved inside my chest  
Can't you see I'm drowning in mercury  
Struggling deeper for one last breath

So I walk the line of blasphemy  
Just to see the world collide  
And see it all collide  
And I swear to myself  
I won't stop on the edge  
And watch it all die  
Watch it all die  
It's the end of the fight  
It's the end of the fight

Can't you see the demons inside of me  
You won't look because you're way too blind  
There's no reason to act like you're trying  
Throwing your daggers till the end of time  
A good omen can attract an offering  
Another loss attracts consciousness  
Can't you see I'm drowning in mercury  
Struggling deeper for one last breath

So I walk the line of blasphemy  
Just to see the world collide  
And see it all collide  
And I swear to myself  
I won't stop on the edge  
And watch it all die  
Watch it all die  
It's the end of the fight  
It's the end of the fight  
It's the end of the fight  
And I want you to know  
This is the end  
Yeah

So I walk the line of blasphemy  
Just to see the world collide  
And see it all collide

So I walk the line of blasphemy  
Just to see the world collide  
And see it all collide  
And I swear to myself  
I won't stop on the edge  
And watch it all die  
Watch it all die  
It's the end of the fight  
It's the end of the fight  
This is the end
