

# I Fought the Law

Dead Kennedys

Drinkin' beer in the hot sun  
I fought the law and I won  
I fought the law and I won

I needed sex and I got mine  
I fought the law and I won  
I fought the law and I won

The law don't mean shit if you've got the right friends  
That's how this country's run  
Twinkies are the best friends I ever had  
I fought the law and I won  
I fought the law and I won

I blew George and Harvey's brains out with my  
SIX GUN!  
I fought the law and I won  
I fought the law and I won

Gonna write my book and make a million  
I fought the law and I won  
I fought the law and I won

I'm the new folk hero of the Klu Klux Klan  
My cop friends think that's fun  
You can get away with murder if you've got a badge

I fought the law and I won (3x)  
I am the law so I won
