

My Body's a Zombie For You

Dead Man's Bones

I can't fit in this skin
It's worn and useless thin
The size of the eyes
And the flies in the sky
My body's a zombie for you
Oooh (3x)
My body's a zombie for you
Oooh (3x)
My body's a zombie for you
The smell of my breath
From the blood in your neck
(Oooh)
Oh I hold my soul
From the lands unknown
So I can play the strings of your death
My body's a zombie for you
Oooh (3x)
My body's a zombie for you
Oooh (3x)
My body's a zombie for you
Oooh (3x)
My body's a zombie for you
I'm a Z-O-M-B-I-E, Zombie (18x)
