

Hit and Run Lover

Dead or Alive

You look like somebody, I used to know.
A daydream believer with a heart of gold.
Don't try to ignore me, cause everyone already knows.
All the scandalish things we used to do.
The time at the movies, in you daddy's room.
They don't satisfy me, they seem to do something for you.
Why am I surprised, you're a hit and run lover.
Put the hammer to the wheel, baby run for cover.
Gonna tell it to your friends, you're a two time mother.
Tell me why am I surprised? Why am I surprised?
I have secrets, you were keeping.
I was looking, you were leaping.
Look at my face,
I'm not lacking yet. I got something for you that you'll never forget.
And I know, you know, they know; that all the magic is mine.
You got no money, well maybe a dime.
The time has some fortune and the hours are mine.
We're gonna make it, we've got what it takes.
We're gonna make it, we've got what it takes.
Why am I surprised, your a hit and run lover.
Put the hammer to the wheel, baby run for cover.
Gonna tell it to your friends, you're a two time mother.
Tell me why am I surprised, you're a hit and run lover.
