

Hurt Me (Did U Have 2 Hurt Me)

Dead or Alive

I ask you a question
And I don't like the reply
There to impress your head
You need someone else
You can't live a lie

You had to be what you're born to be
Even if it means losing me
After all, the love has gone
I'd be a fool to keep holding on

Baby, don't go drinking that red wine
Why make everything between us seem so fine?
You change your mind

Did you have to hurt me, hurt me
Did you have to hurt me, baby?
Hurt me, hurt me, baby, baby
Hurt me, hurt me
Did you have to hurt me, baby?
Hurt me, hurt me, I'm the one who loved you

I look in the mirror
And I'll tell you what I feel
Somebody's gone, who will carry on?
And so I set you free

Now baby, don't go drinking that red wine
Why make everything between us seem so fine?
You change your mind

Did you have to hurt me, hurt me
Did you have to hurt me, baby?
Hurt me, hurt me, baby, baby
Hurt me, hurt me
Did you have to hurt me, baby?
Hurt me, hurt me, baby, baby

I'm the one
I'm the only one
I'm the one
I'm the only one, the only one
I'm the one
I'm the only one
I'm the one who loved you
I'm the one who loved you

I'm the one
I'm the only one
I'm the one
I'm the only one, the only one
I'm the one
I'm the only one

Did you have to hurt me, hurt me
Did you have to hurt me, baby?
Hurt me, hurt me, baby, baby

Hurt me, hurt me
Did you have to hurt me, baby?
Hurt me, hurt me, I'm the one who loved you

Every now and then my heart hurt
Into stormy weather
I would have to be a superman
For us to stay together
Slowly burn your bridges
But your fingers went across
You can search the whole world over
Try and find the one you lost

Did you have to hurt me, hurt me
Did you have to hurt me, baby?
Hurt me, hurt me, baby, baby
Hurt me, hurt me
Did you have to hurt me, baby?
Hurt me, hurt me, I'm the one who loved you

I was the one
I was the only one
I was the one
I was the only one, the only one
I was the one
I was the only one, only one
I was the one
I was the only one
I'm the one who loved you
