

Fire Burnin'

Dead Posey

Down with the setting sun
Won't shame me
Shot like a loaded gun
Can't tame me

Ohhhh gotta pay your penance
The preacher man screams
But he can't take this soul from me
Yeahhhh

Now I gone and did it
Struck a match and lit it
And I'm gonna put hell to shame
Yeahhhh

Whoa-oh-oh-oh-oh
Oh-ohhhh...
I'm a fire burnin'
Yeah out of control
Whoa-oh-oh-oh-oh
Oh-ohhhh...
I'm a fire burnin'
Baby just let me go

Flash in the dead of night
Come free me
Smoke in the holy light
Release me

Ohhh all come together when the church bells ring
Light up the town
Hear the choir sing
Yeahhh

Oh I gone and did it
Struck a match and lit it
And I'm gonna put hell to shame
Yeahhhh

Whoa-oh-oh-oh-oh
Oh-ohhhh...
I'm a fire burnin'
Yeah out of control
Whoa-oh-oh-oh-oh
Oh-ohhhh...
I'm a fire burnin'
Baby just let me go

Oh you tried to put me out
Now I'm gonna burn this whole place down

Whoa-oh-oh-oh-oh
Oh-ohhhh...
I'm a fire burnin'
Baby just let me go

Whoa-oh-oh-oh-oh

Oh-ohhhh...
I'm a fire burnin'
Yeah out of control
Whoa-oh-oh-oh-oh
Oh-ohhhh...
I'm a fire burnin'
Baby just let me go

Now I gone and did it
Yeah
Struck a match and lit it
Yeah out of control
Whoa-oh-oh-oh-oh
Oh yeah yeah
I'm a fire burnin'
