

Freak Show

Dead Posey

Wild child got the fever tonight
Yeah I'm turnin' the screw
Wild child got an appetite
Yeah I'm cuttin' the noose

Ooh yeah I want it
Cause I need it
Chasin' hell on the highway
Ooh I can see it
I'll make you feel it
Believe when I say

One for the money
Two for the freak show
Three gettin ready
Four cuz you never know
Throw in them chips tonight
Under the neon lights
One for the money
Two for the freak show

Yeah I'm cuttin' the noose
