

Russian Roulette

Dead Posey

Chokin' on this lead
Black hole in my head
Mr. Mad Man, take it or leave it
We all end up dead

Wanna play play play a little blame game
I'm staking my claim move over
If you say say say that I'm a disgrace
What would you prefer?

Pull the trigger, yeah, go insane
Up in smoke gonna rattle the cage
Pull the trigger, yeah, go insane
Spin my cylinder, feel the rage
Is that your best shot?
Hit me with all you got!

Drownin' in my brain
This ain't goin' away
Paranoia getting the best of me
I know where this leads

Wanna play play play a little blame game
I'm staking my claim move over
If you say say say that I'm a disgrace
What would you prefer?

Pull the trigger, yeah, go insane
Up in smoke gonna rattle the cage
Pull the trigger, yeah, go insane
Spin my cylinder, feel the rage
Pull the trigger, yeah, go insane
Up in smoke gonna rattle the cage
Pull the trigger, yeah, go insane
Spin my cylinder, feel the rage

Is that your best shot?
Hit me with all you got!

Pull the trigger, yeah, go insane
Up in smoke gonna rattle the cage
Pull the trigger, yeah, go insane
Spin my cylinder, feel the rage
