

## Scar

## Dead Posey

Just want to lay here in this empty tub  
Think about all the things I've done  
Destructive thoughts I'm seeing red  
Sometimes I feel like I'm already dead

So much noise makes fits of rage  
Little bird stuck in a cage  
I go to this place that no one can see  
Lock the door throw away the key

Get away from me  
I can't fucking breathe  
Twist the knife inside  
All the lies  
Are you satisfied?  
Get away from me  
Don't need no sympathy  
Bang my skull against the wall  
This is gonna leave a scar  
Leave a scar

Demons in my head talking so fast  
Makes me wanna light off a blast  
I know this feeling is killing me  
But I'm already hanging like a creep

Get away from me  
I can't fucking breathe  
Twist the knife inside  
All the lies  
Are you satisfied?  
Get away from me  
Don't need no sympathy  
Bang my skull against the wall  
This is gonna leave a scar  
This is gonna leave a scar

Died so many times  
I've lost count  
Monsters in the dark  
Can't get out  
Rock myself to sleep  
With a lullaby  
May I rest in peace tonight

Get away from me  
I can't fucking breathe  
Twist the knife inside  
All the lies  
Are you satisfied?  
Get away from me  
Don't need no sympathy  
Bang my skull against the wall  
This is gonna leave a scar  
This is gonna leave a scar  
This is gonna leave a scar
