

## To Find The Right Way

We spend our lives  
To understand  
What we'll become  
Before the end  
Because

There's many roads  
But we should choose  
The only one  
We can't confuse

So let me leave  
Just one more day  
I promise that  
I'll find my way

I promise  
I'll find my way  
I'll find my way
