

Major Rager

Dead To Fall

someone crake this shit and turn this room into a circle pit!
So grab a beer and take a hit to quell your fear!
Tonight is gonna be as much fun as we make it!
The party just started. Oh shit! I'm already naked!

This could be the best night of my life!
let's get another case and stay up all fucking night!

Empty cans on the floor!
someone's head comes crashing through the door!
This party is really getting out of control!
The insides of the fridge are nailed to the wall!
Oh shit! that dude who lives here looks fucking pissed!

Pain is all my head will feel when i wake up!
I don't care! So pour me out another fucking cup!

This could be the best night of my life!
Let's get another case and stay up all fucking night!

(Listen up! Every singel one of you kids listen up! This party is out of fucking control! My mom is going to kill me when she gets home! Are you serious!? WHAT THE FUCK!!!)

Someone threw a brick into my T.V.!
It wasn't us we were all outside smocking trees!
Where's my phone?!?! I'm gonna call the fucking cops!
Ah fuck it! I'm way to druck! So let's all do another shot!

Pain is all my head will feel when i wake up!
I don't care! So pour me out another fucking cup!

the night is ending cuz the sun is coming up!
Dose anyone have a lighter to spark up these blunts?!
The party was totally insain!
I'm gonna pass out in the van!
Tommorrow let's do it again!

This could be the best night of my life!
let's get another case and stay up all fucking night!
This is the best night of my life!!
This is the best night of my life!!
