

# Till Next Time

Dead!

Well it's the end of the world!  
Yeah!

I could've been a better son  
I could've been a better man  
Dear god I swear I'll make you proud  
I will walk across this land  
Give myself to you, you give your heart to me  
This won't be the end  
Do you still believe in me?

If the sun were to set  
Would you call, would you cry?  
That he looks up above  
For some help from his god

Really, I don't mean to startle you  
But the end is near  
I hate to inform you of this tragedy  
But please, have no fear  
I don't want to paint a picture of the world  
But it's really something you have to hear  
Tell me have you seen the last solemn soul  
Because I solemnly swear

I swear  
I swear  
I swear  
I swear  
I swear  
I swear

If the sun were to set  
Would you call, would you cry?  
That he looks up above  
For some help from his god

Tell me, tell me is this all that I stand for?  
Don't be scared, don't be scared  
Yeah!

If the sun were to set  
Would you call, would you cry?  
That he looks up above  
For some help from his god

If the sun were to set  
For the very last time  
Would call? Would you cry?  
Would you care just as much?  
That he looks up above  
For some help from his god  
For an echo, echo  
It's not easy with love

Yeah
