

## Ambition

DeadLock

Your ambition's killing you baby  
Ambition - it's your god  
I do now sin, I do now sin,  
Cause I have no ambition

Ambition - it's your fucking religion  
Ambition - it's your fucking religion  
Ambition - it's your fucking religion  
Ambition - fucking religion

Your ambition kill you baby  
Your ambition kill you baby  
Your ambition kill you baby  
Your ambition kill you baby
