

## Afterhours

deadmau5

I see you sitting at the bar  
I wonder who the fuck you are  
You undress me with your eyes  
Dreaming of my creamy thighs

Did you wanna see my tits?  
Do you wanna taste my lips?  
Take me now I'm feeling hot  
Right now, right here on the spot

Throw me down, on the bar  
Shall we do the it in the car?  
You're so naughty, I'm so nice  
Maybe we should do it twice

I don't even know your name  
You don't need to know my game  
I know you wanna hear those screams  
'cause you're the one that's in my dreams

I see you sitting at the bar  
I wonder who the fuck you are  
You undress me with your eyes  
Dreaming of my creamy thighs

Did you wanna see my tits?  
Do you wanna taste my lips?  
Take me now I'm feeling hot  
Right now, right here on the spot

Throw me down, on the bar  
Shall we do the it in the car?  
You're so naughty, I'm so nice  
Maybe we should do it twice

I don't even know your name  
You don't need to know my game  
I know you wanna hear those screams  
'cause you're the one that's in my dreams
